Material Aspects of Relationship with Venues

When we route orders, we may receive payment for order flow, a standard industry practice where brokerage firms receive a small per-share rebate when an order is executed or a share of the market makers or market centers revenue for processing those orders. In addition, we may also receive compensation that is not directly related to specific per-share amounts from market centers but based instead on the overall quantity and/or type of order flow presented to the market center.

NASDAQ

JH Darbie & Co, Inc. receives payment from NASDAQ for directing order flow to NASDAQ. Payment is variable based on the size and spread in the security at the time of order execution. Payment is reduced or eliminated on price improved orders. Payments received from NASDAQ averaged less than \$0.002 per share for the fourth quarter of 2018.

V Finance

JH Darbie & Co, Inc. did not receive payment from V Finance for order flow for the fourth quarter of 2018.
